

LME22

21.5" LED Monitor HDMI BNC Monitor Plastic Case

LED backlighting is utilized to give even, consistent illumination, long life and 40% power consumption than CCFL LCD Monitors, to help meet green targets. The monitors are designed to provide support for high resolution IP camreas and use 16:10 aspect ratio panels, making them the perfect match for IP video surveillance technology. They are equally at home as a display unit for Network video recorders or computers. The monitors are equipped with multiple input standards, loop through video and audio connectors and offer premium grade features to ensure that optimum quality images are displayed in any application.

Key Features

- ▶ Higher contrast ratio 10000 : 1
- ▶ Displaying realistic colour
- ▶ No image distortion
- ▶ Environmental friendly
- ▶ Power saving up to 40%
- ▶ Backlight LED
- ▶ Multi Language
- ▶ 1920(H) x 1080(V) Resolution
- ▶ Built In Speakers
