

## PROMI-ECO Keypad

PROMI-ECO

- \* ABS Surface
- \* 12V AC/DC
- \* Stand Alone
- \* 100 User Codes
- \* 1 Relay Output
- \* Weather Resistant
- \* LED Indicators
- \* Easy Install

*The PROMI-ECO is an entry-level keypad, designed for internal and external use. Manufactured in a rugged ABS housing, and having the capacity for 100 users, the keypad is ideal for general access control of low to medium security environments. All programming is carried out from the keypad via a master programming code. The unit has the ability to control either a fail-secure or fail-safe locking device.*
