FERMAX

CITY CLASSIC PANEL

A GENUINE URBAN SYMBOL

City Classic is the FERMAX original and avant-garde outdoor panel with a convex-curved profile.

Gifted with a genuine urban character, it is the ideal range for audio installations for any type of building.

Manufactured in a highly weather resistant anodised aluminum.

CITYMAX TELEPHONE

Citymax telephone represents the classic and versatile model from Fermax.

Manufactured in white ABS plastic with a textured finish for easy cleaning as well as ultraviolet protection.

Includes different attachment points to install on the wall.

ACCESSORIES

The panels can be installed in any position, support or situation with the available accessories.

Surface Box

For surface installation. Manufactured in extruded aluminum, in the same colour of the panel.

Decorative Frame

Recommended in installation when substituting a bigger panel.

Hoods

Metallic, very useful and easy to install. To protect the outdoor panel from the rain.

Angular complement

To install the panel in places with difficult accessibility.
