

Access Control / AC: Accessories

Product Code
FE01076

MC740 G2 MAGNETIC CONTACT

Reference
1076

EAN
8424299010762

Description.

Description

Surface installation between door and frame. When the door is closed, the two parts align by magnetization and an internal sliding plate brings the two wires into contact. When the door is open, there is no continuity between the two wires. To signal or alert that the door is open or closed. It is also connected to the door sensor input of our access control systems.
