

## DGLIMWLC

**The DGLIMWLC from CDVI is a stainless steel MIFARE card reader.**

As with the other readers from the range, the DGLIMWLC gives an anytime status of the door through multi-coloured LED's.

These access control readers have a high performance read range and are easy to mount. The DGLIMWLC is also a MIFARE vandal proof reader.

With an innovative design and a low power consumption, the DGLIMWLC card reader is now available from CDVI.
