# Mitho switchboard

## The advanced solution for porter services

MITHO SB is a table-top colour video switchboard with a 4.3" 16:9 format LCD touch screen, available in two colours: Fusion Black or Ice White. As with all terminals in the "Mitho" range, navigation of the numerous functions is simple and intuitive, using colour codes for immediate association between the various functions and the different colours. This range also offers image zoom /pan functions, video-voicemail and audio using the handset or the hands-free option. The Mitho switchboard is supplied complete with an elegant and practical table-top support comprising of a sturdy 3 mm steel base with a refined, sleek shape and adapter.

## Version

Ice white

The Mitho SB interface is specially designed for simplicity of operation. The switchboard operator always maintains full control of the status of the system and can perform the following functions simply by touching the screen:
