

HDAMF07HY

Hybrid Multi Format Portable Test Monitor

The HDAMF07HY is an "All in One" Test Monitor which supports Analogue Signals (AHD, TVI, CVI, etc) as well as digital signals (HD-SDI, EX-SDI, etc).

It can be used for various tasks such as checking Video Signals and Cabling Status with the built-in Video Signal Level Meter, adjusting the Camera Viewing Angles and Focus, supplying Power to Cameras and implementing PTZ Control and UCC function for the Camera OSD setting.

This Genie Test Monitor makes it possible for the installer to check every part of the Video Surveillance System on their own and complete the task for system installation and inspection easily and conveniently.

HDAMF07HY

Key Features

- 7" Wide IPS LCD Panel
- LED Backlight
- HDMI, HD-SDI, EX-SDI Inputs
- AHD, TVI, CVI Inputs
- CVBS & Analogue RGB Inputs
- Set Camera Viewing Angles
- Li-Polymer Battery
- HDMI Audio Signal Speaker
- Audio Line Input/Output
- Supplied with Leather Bag
- DC12V

Technical Specification

Model Number	HDAMF07HY
Display Resolution	1280 x 800
Screen Size	6.95"
Pixel Pitch	0.117mm (H) x 0.177mm (V)
Brightness (cd)	Min: 340, Nor: 400
Contrast Ratio	Min: 600, Nor: 800
Viewing Angle	Horizontal: 89°, Vertical: 89°
Response (ms)	11
HDMI Video Input	1080p 60
HD-SDI Video Input	1.485Gbps ~ 2.970Gbps, PoC (Power Over Coax) Function
Analogue HD Video Input	AHD (720P 25/30, 1080P 25/30) HD-TVI (720P 25/30, 1080P 25/30) HDCVI (720P 25/30, 1080P 25/30) CVBS NTSC/PAL 1.0Vp-p Coax Communication
UXGA Video Input	1600 x 1200, 60Hz
HD-SDI Level	10 ~ 100%
EX-SDI Level	10 ~ 100%
HDMI	HDMI A Type
HD-SDI Input	BNC-F
VGA Input	D-Sub 15 Pin Right Angle Type
Analogue HD Input	BNC-F
2 RS-485	Pan / Tilt / Zoom / Focus Control OSD Control
Audio Input	3.5Ø Earphone Jack
Audio Output	3.5Ø Earphone Jack
Colour	Body: Dark Grey / Side Cover: Orange
Battery	Li-Polymer: 11V, 2200mAh (Protection Circuit Applied) x2
Temperature	0°C ~ +50°C
Humidity	0% ~ 80%
Dimensions (W x H x D)	241 x 153 x 50.5 mm
Power Input	DC12.6V (Exclusive Charger Used Only)
Power Output	DC12V
Weight	Product: 900g, Bag: 500g, Total: 2.2kg
